

WOMEN IN TRADES WORKSHOPS

In early September, our amazing Employment Advisors visited the Dorion building to facilitate employment readiness workshops. During that time Confederation College's future trades superstars visited the NEW Employment Resource Centre for additional support and services.

Women in Trades is a 20-week pre-apprenticeship program funded through Ontario's Ministry of Labour, Immigration, Training and Skills Development. The program aims to meet the needs of the region in supporting heavy duty equipment technicians.
